

# Contributing Factors to Mass Shooting Events

INF 554 Group #3

Tyler Collins, Kevin Karabinas, Mo Chen

# Our Mission

We are investigating gun violence because of the Vegas shooting.

# Why is this interesting?

We want to inform  
the public and  
augment policing

# Who is our audience?

Our primary audience is the general public

- Conservative voters
- Rural voters

Our secondary audience is the police

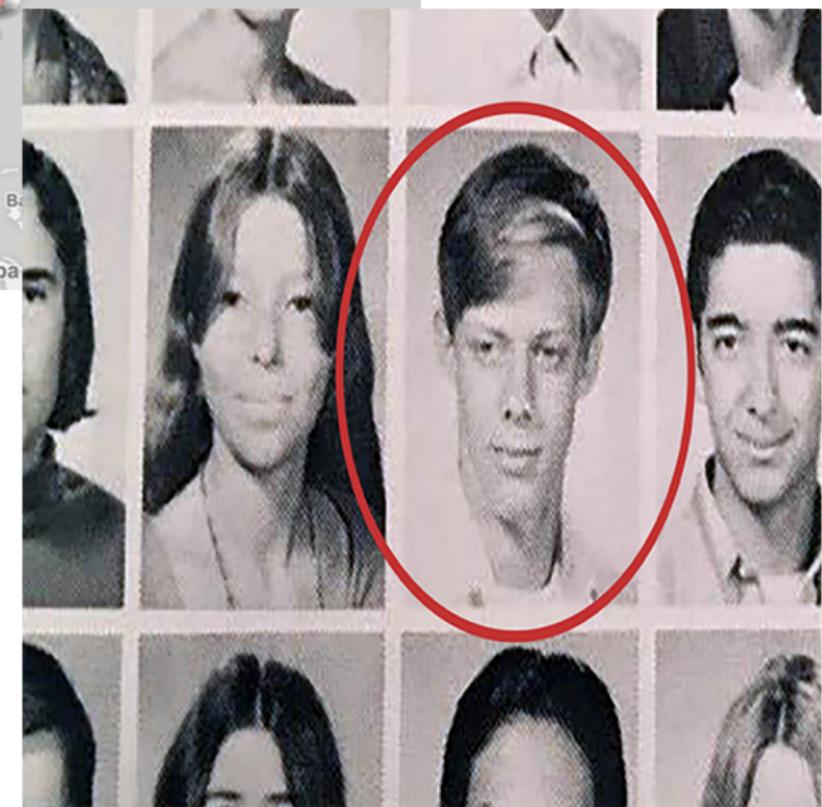

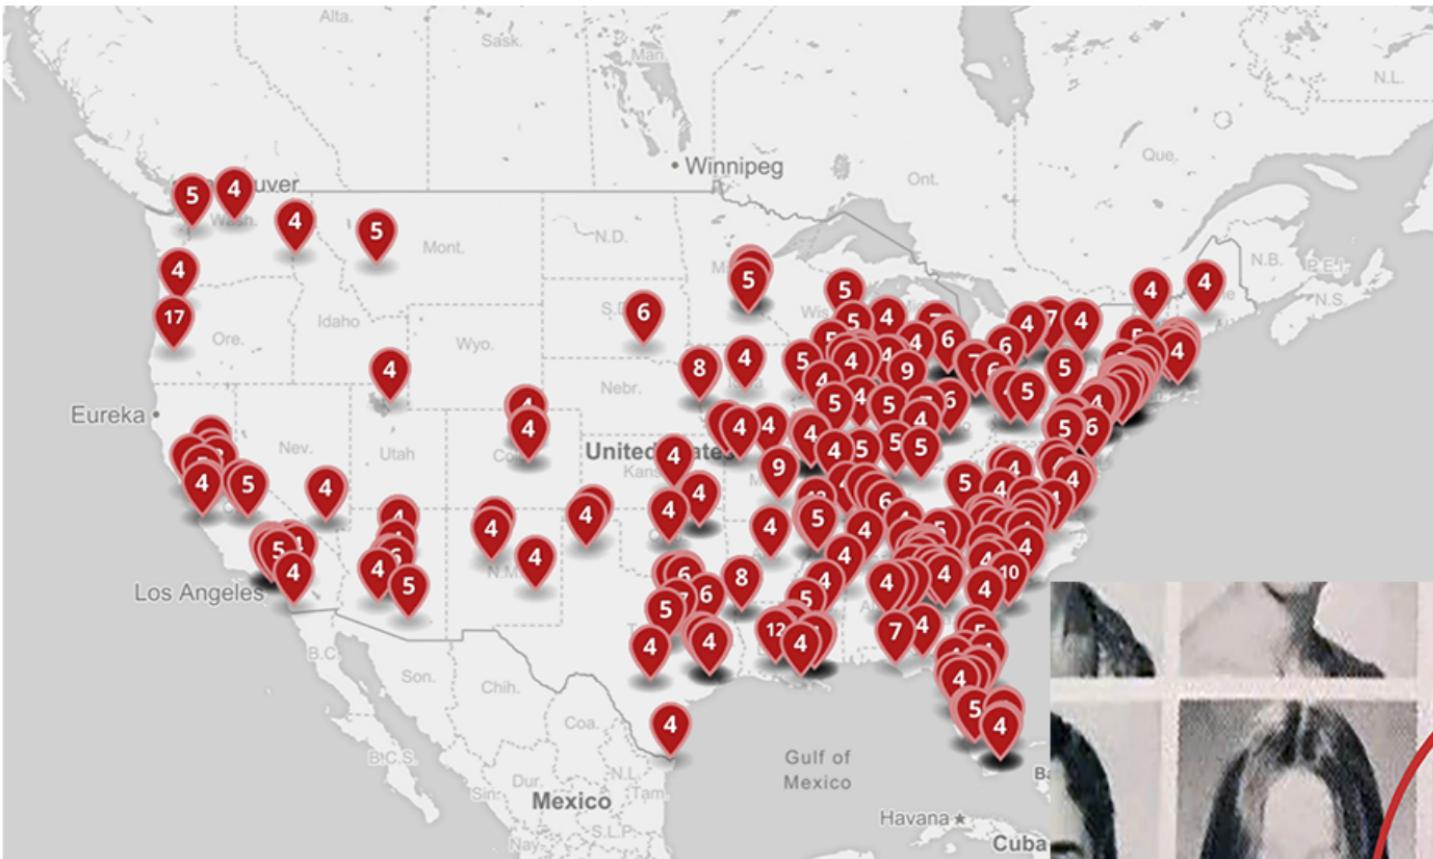

# Data source

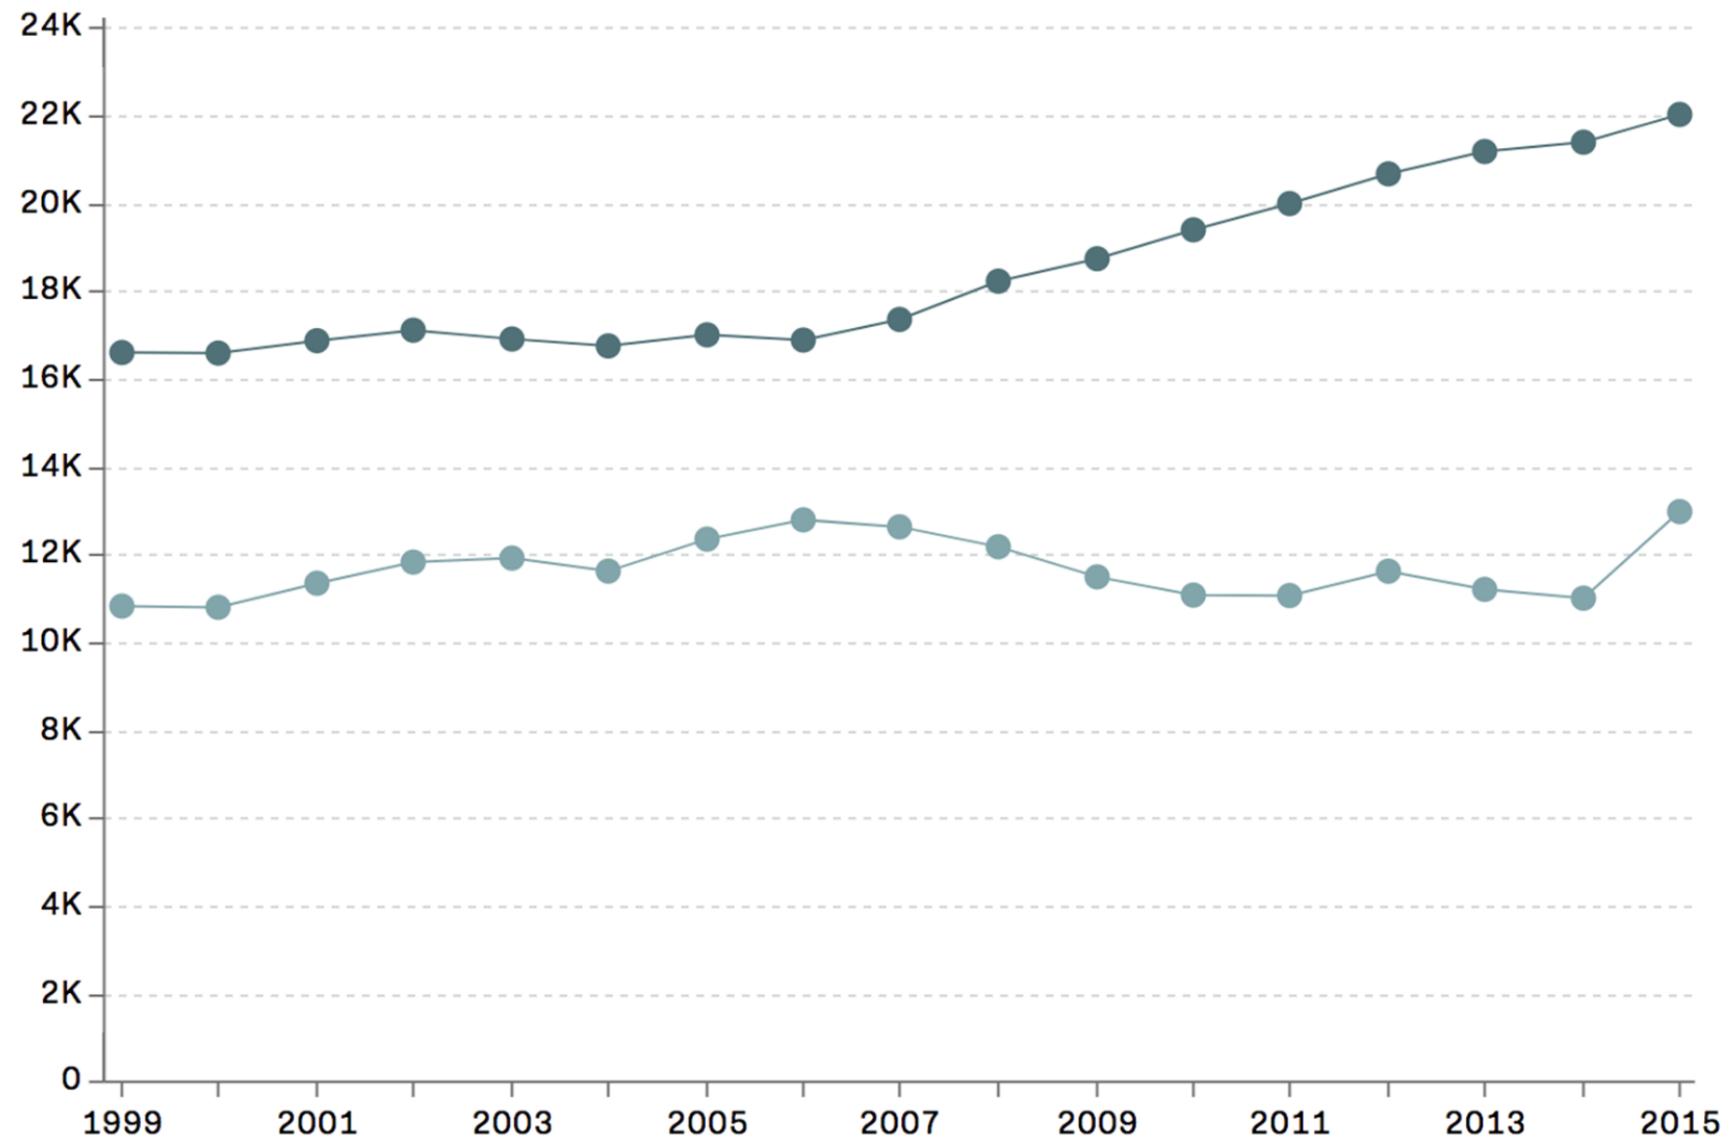

Stanford MSA Database

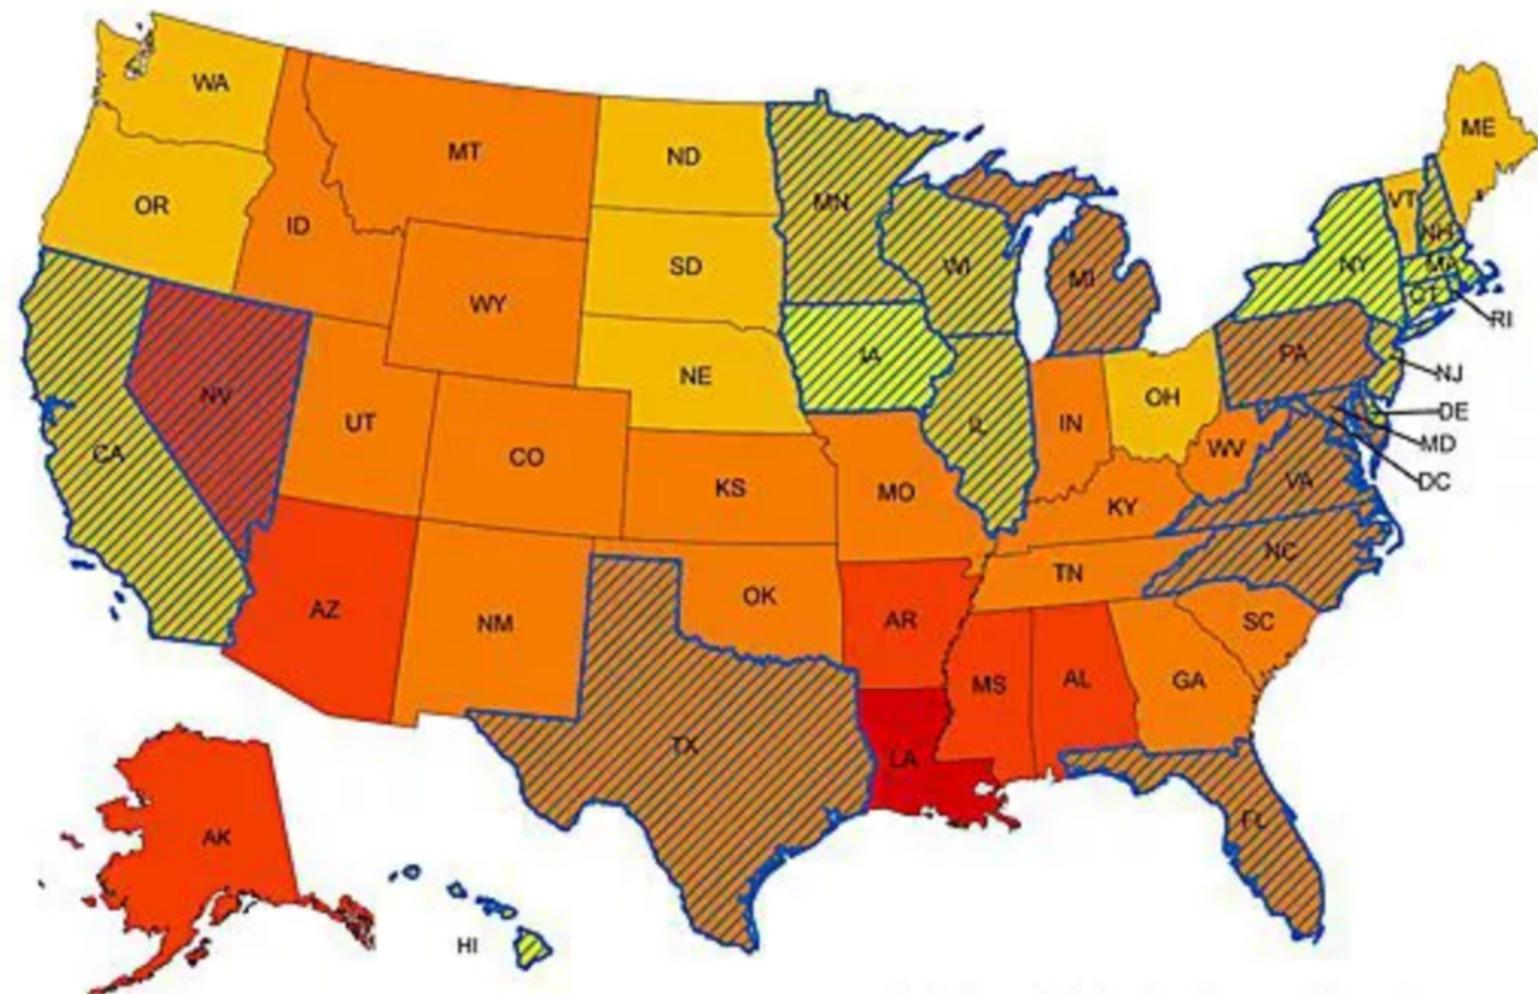

Objective, non-biased data source

CasID	Title	Location	City	State	Latitude
1	University of Texas	Austin, Texas	Austin	Texas	30.1988873
